LONG BIO

Demoxx (Kenny De Keyser) is a Belgian euphoric hardstyle artist known for building melodic pressure into heavy euphoric hardstyle drops. His sound is built around atmosphere, storytelling, and festival-driven intensity, creating music that connects both on and beyond the dancefloor.

Active in the scene since 2015, Demoxx has performed at events such as Land of Love and Beach Party Bocholt, and played in notable venues including IKON Antwerp and the iconic Bocca Destelbergen. His experience across both club and festival stages has helped shape a consistent and recognizable style.

Alongside his performances, Demoxx has released multiple original tracks and remixes, reaching thousands of listeners online. With a strong focus on melodic impact and continuous evolution, he is steadily building his place within the Belgian hardstyle scene.

Driven by passion and authenticity, Demoxx stands for one thing: Built on Breakdowns.
